The image displays a complex PCB layout on a grid background. At the top center, the title "[5] Sheet Title B" is prominently displayed in a large, bold, dark red serif font.

The layout consists of several rectangular blocks, each labeled "Block Description" in a bold, dark red serif font. These blocks are arranged in a structured manner:

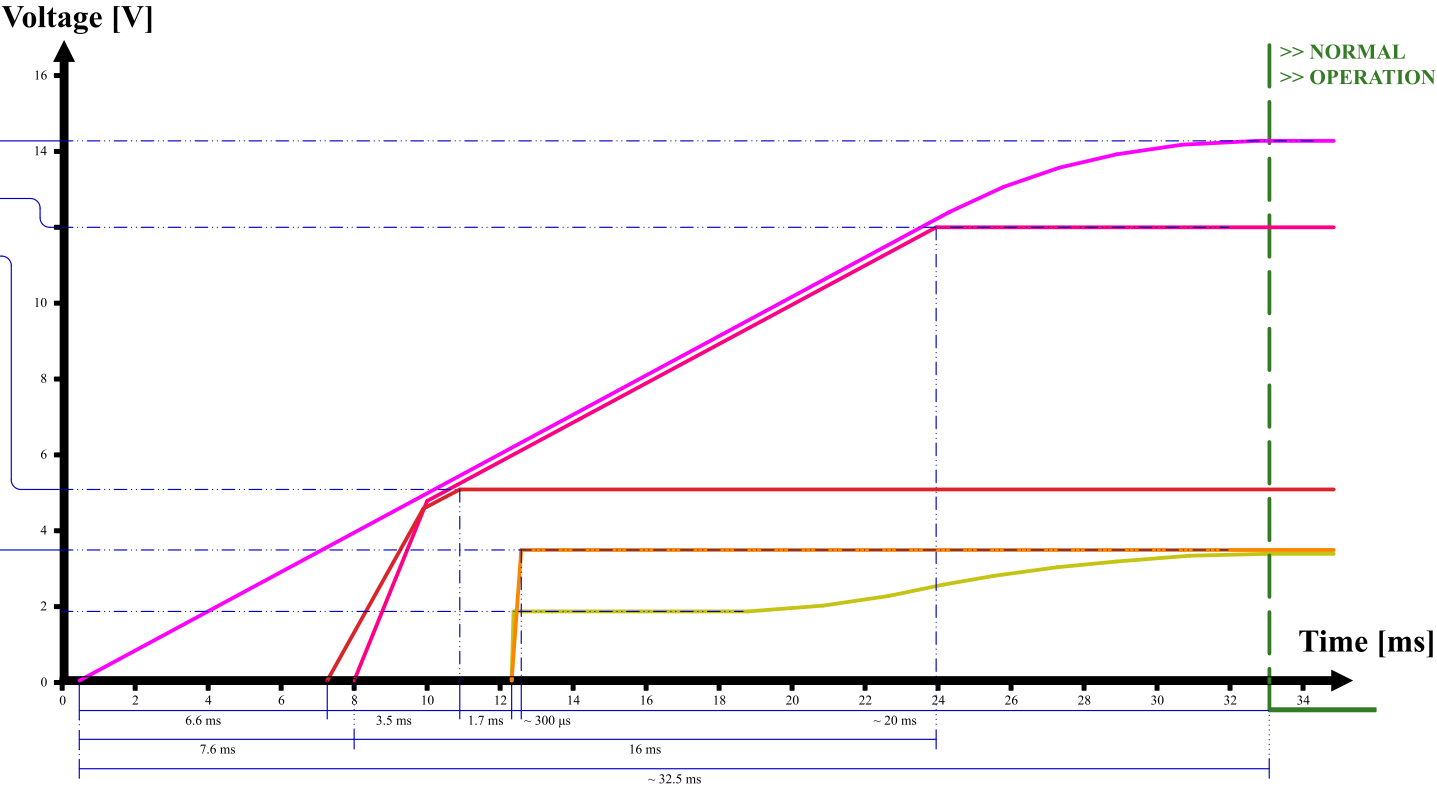

- A large block on the left side contains two small component symbols: a resistor labeled "R401 4k7" and another labeled "R403 3k3".
- Below these, there are three smaller boxes containing design notes: "DESIGN NOTE: blabla", "DESIGN NOTE: blabla", and "LAYOUT NOTE: blabla".
- To the right of the first large block is another large block.
- Below the first large block is a row of three medium-sized blocks.
- Below the second large block is a row of three medium-sized blocks.
- At the bottom left, there is a row of three medium-sized blocks.

In the bottom right corner, there is a detailed metadata table with a light gray border. The table is organized as follows:
