

[2] Block Diagram

The diagram illustrates a multi-page PCB layout. On the left, two yellow boxes labeled "Block Description" are connected to power rails (+??V) and ground. The central part features a "SECTION" header above a series of blue blocks (BLOCK A through BLOCK F) and a large green rectangular area. To the right, another "SECTION" header is followed by maroon blocks (BLOCK G through BLOCK J). Connections between sections are shown with colored lines and labels like "+A3V3".

Target specifications:					
Input voltage:	?? - ?? V				
Spec 2	??				
Spec 3	??				
Spec 4	??
